

**Title: Low Flow Toilet Rebate
Program**

Policy No: 4101

Approval: Town Council
Effective Date: August 27th, 2008
Revised Date: January 6th, 2010

Supersedes Policy No:

Policy Statement: The Town of Hardisty is offering a rebate program to help people to begin to conserve water. The toilet is the largest water consumer in the home attributing to about 27% of total indoor consumption in residential areas. This policy will focus on the rebate program of making low-flow toilets more accessible to residents to achieve the goal of water conservation.

1.0 Purpose:

1. The Town of Hardisty is offering a rebate of \$80.00 to residents of the Town whom replace an older, high volume toilet with a newer, eligible low-flow model in their home. The offer will be made to the first 100 applicants, up to December 31, 2010 with a limit of one per household.

2.0 Application:

2. Town residents must submit application form with the original receipt of the low-flow toilet purchase, dated after August 27th, 2008 including the following:
 - 2.1.1 Take a photo of the currently installed toilet, which must use at least 13 liters of water per flush.
 - 2.1.2 Remove the old toilet and install the new one in its place. Take a photo of the new toilet and have it date stamped.
