

## ***Residential Private Sewage Disposal Permits***

### ***Applications***

In order to issue a PSDS permit, the applicant must submit:

- Completed permit application
- A site plan
- Percolation tests/Soil classification
- System Design
- Expected volume of sewage per day
- Depth to the water table if less than 2.4 m from ground surface

Holding Tanks: Requires permission of the local municipal government

### ***Eligibility***

- The applicant may be the owner and occupant of the property or a Certified Plumbing Contractor or Certified Sewage Installer. This is the person to whom the permit is issued.

### ***Site Inspections Stage***

Rough in: Prior to backfilling of dirt, majority of system installed, percolation test acceptable.

We request that you provide our office with 48 hours notice to arrange for the necessary inspections. Please contact your Local office listed below.
