

**Title: Live Fire Training**

**Policy No: 2304**

**Approval: Town Council**

**Effective Date: September 26<sup>th</sup>, 2007**

Supersedes Policy No:

**Policy Statement:** The Council of the Town of Hardisty recognizes that live fire training is inherently dangerous, particularly when conducted in or near structures. All Fire service agencies conducting live fire training within Town limits shall strictly adhere to the requirements of NFPA 1403: Standard on Live Fire Training Evolutions and shall notify all adjacent property owners of planned burn.

**General:**

1. As the Town of Hardisty is recognized as the authority having jurisdiction, any live fire training event shall be conducted by a certified fire instructor, which shall be presented upon request, whom will coordinate and supervise safe fire fighter instruction and training activities.
2. All adjacent property owners including the Town Office shall be notified of planned burn, in writing at least ten (10) days prior to the training burn with a description of the training activities.
