Julie Pasztor, Councillor

I hope this month's newsletter finds you all very well; and that your Christmas was the very best it could be! The amount of Christmas cheer our community experienced with the contagious spirit of the Hardisty Holiday Cheer Committee was a welcomed blessing in our world and I think everyone can agree it helped raise the joy level of many people for certain! The icing on the cake was the CP KC Holiday Train that our sweet community had the blessing to host; bringing many visitors who graced our town with their presence, took in the markets and downtown happenings, donated to the food bank bus and experienced the train in all its beauty and the entertainment it provided. What a terrific way to evoke positivity and Christmas spirit! Well done to the committees involved in making it as magical as it was!

I would like to take this opportunity to introduce myself in case you do not know me; the newest of the town councilors for

Happy New Year

the Town Of Hardisty. I am Julie Pasztor; and have been a resident of Hardisty since I was 5 years old; raised here by my mom Janice Morrison along with my brothers Gary & James. It has been a safe, inclusive, dynamic community and been through many changes over the years! Today, I live here with my husband Jordan where we have been able to bring up our 4 now-adult children; who also feel very grateful to have grown up in this small town and appreciate the many recreational amenities and the friends they will have for life.

I have been a part of multiple volunteer organizations in and around Hardisty for many years including school executives from playschool, to Kindergarten, to Parent Advisory to Graduation; a long standing member of the Hardisty Women's Kinship group the Hardisty K-Club, helping with as many minor sports organizations as I have been able, the Hardisty & District Development Group, the 100 Women Who Care Flagstaff to name a few. I am passionate about community activities, sports and active options for community members and visitors to Hardisty; have a keen interest in business development and opportunities; and as I am fortunate enough to grow older in my community, a grown interest in more options as we become seniors in our uniquely recreational town. I have some ideas for our community that I will share with our incredible existing experienced council; the challenge will be in finding out what we can logistically do as council to implement some of those ideas; and learning how they can happen; or alternately why they cannot be done. Lots of learning to do for sure! I would love to help expand on the visibly growing community spirit and involvement and am excited to work with the fantastic council and town CAO; as well as our community members, to help make Hardisty the best it can be for everyone it is home to! Here's to a prosperous & successful 2024; with progress and abundant opportunity to those who seek & believe it possible and take action!

CITIZEN OF THE MONTH

Huge thank you to the Hardisty Holiday Cheer Team! Their countless hours planning and encouraging the Christmas events for the Town of Hardisty was sincerely appreciated by all! We hope they are enjoying a well deserved rest, and look forward to all their plans in 2024!
